

Walk on horse to 1st Marker

At first marker, begin to Trot to 2nd marker

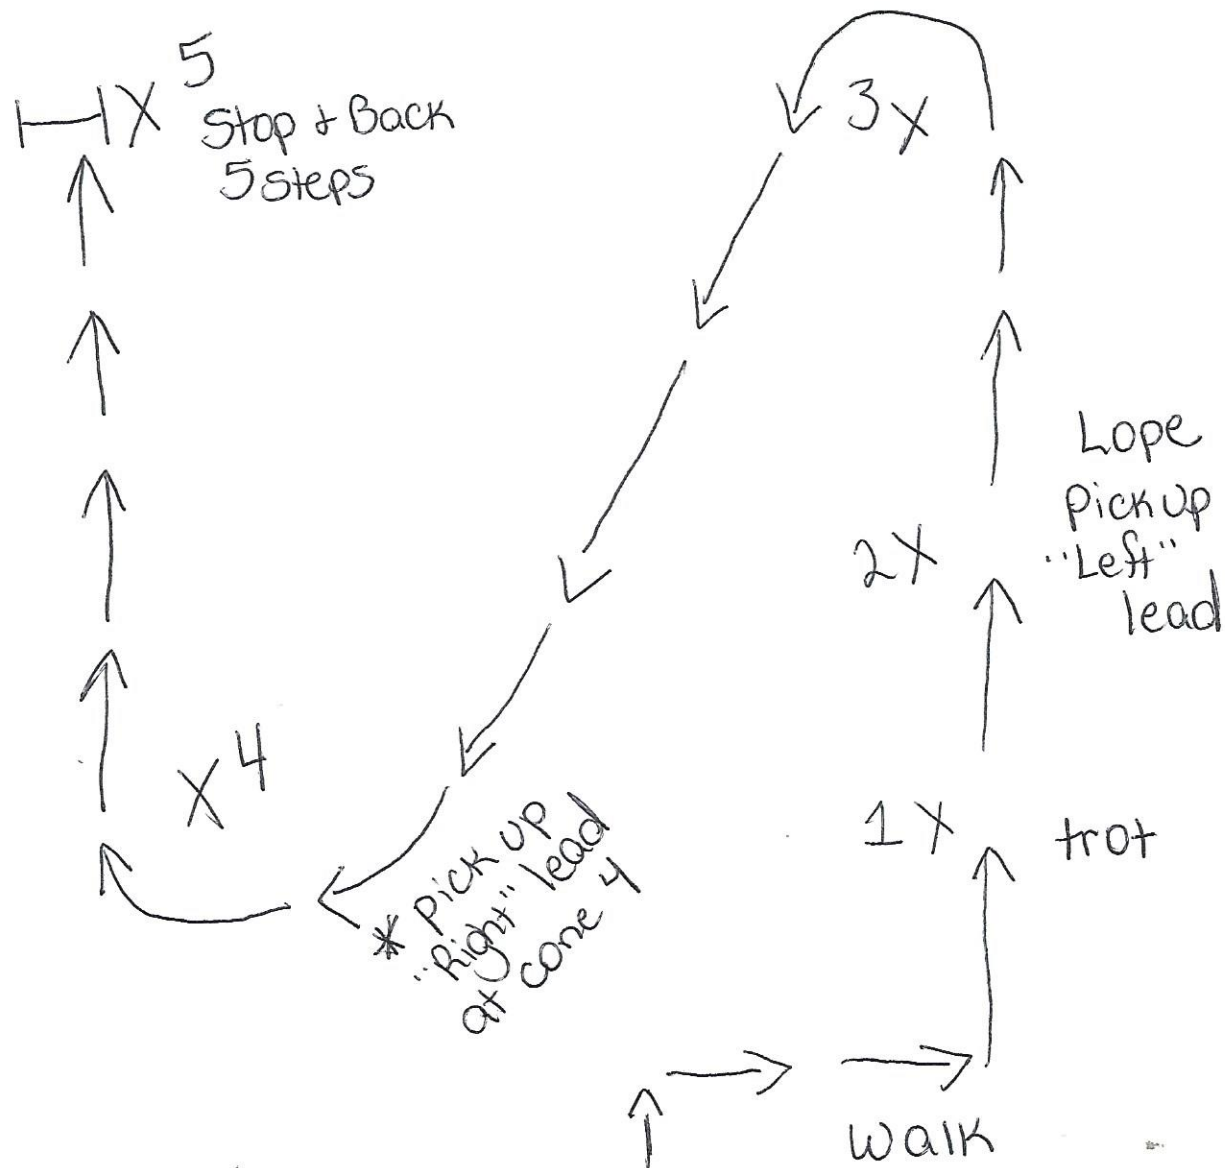

At 2nd marker, Lope in left lead around 3rd Marker

Go to 4th Marker still in a lope and go around it in the right lead.

Stop at 5th Marker, and Back horse in straight line, 5 steps.

- All contestants are asked to ride at the best of their ability, for their safety.

* Princess Queen contestants will only have to walk & trot. They will walk to the 2nd marker & from there trot the rest of the pattern.

Walk on horse to 1st cone.

At first cone, begin to Jog/Trot to 2nd cone.

At second cone, Lope/Canter in "Left" lead

Go all the way around and back to first cone and go around it and head to the 3rd cone changing leads in between. Go around the 3rd cone and head to the 2nd cone changing leads in between. Go around the 2nd cone and head to the 4th cone changing leads in between. After you go around the 4th cone change leads and head down the middle of arena and stop in the middle. Back 5 steps. Walk straight out of arena.

Cones will be 90 feet apart

Queens and Ms Contestants will be asked to:

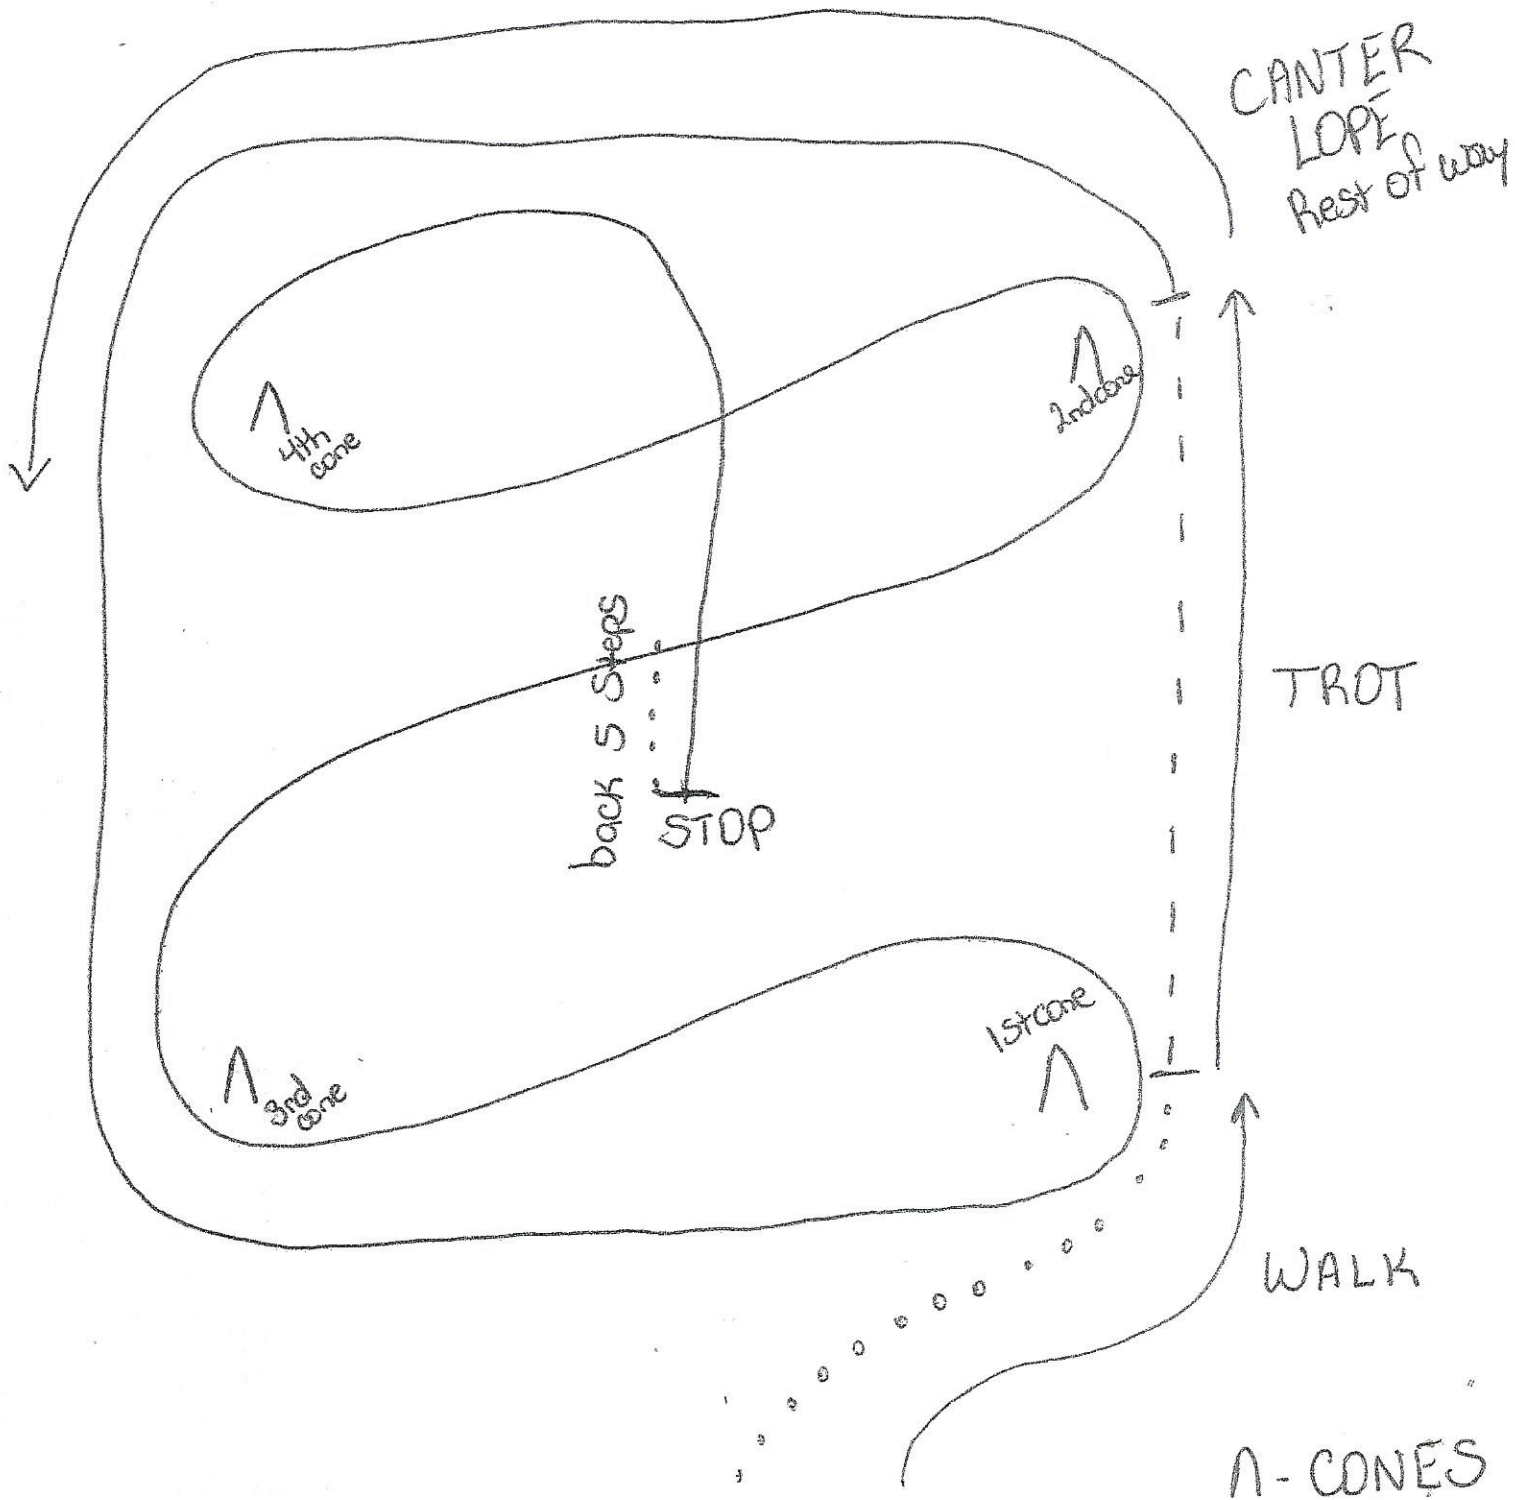

Ride with one hand, using split reins

No tie down

No horse boots/guards

No posting the trot

Princess Contestants will be asked to ride at the best of their ability, for their safety.

1. Walk on horse to 1st cone.
2. At first cone, begin to trot to 2nd cone.
3. At second cone, lope a full circle to the right in the right lead and change leads in the middle and lope a full circle to the left in the left lead.
4. Go back through the middle of the figure 8 to the fence and stop and back 5 steps.
5. Exit the arena.
6. All contestants will be asked to ride at the best of their ability, for their safety.
